Letter from Board of Directors

Dear Patrons

IREC has completed eight years in the service of our community. From its humble beginnings as an educational support organization, we have evolved to reach out and support a multitude of programs. This was only possible with your generous contributions and continuous encouragement. With our growth we also had newer challenges, which we are able to overcome with dedication, determination and your valuable support.

2020 brought in some very unprecedented times with it, times the generations had never seen before. The global pandemic caused a lot of economic hardship to the people while being a constant threat to their lives and their livelihood. IREC along with its donors was at the forefront of these painstaking situations and was able to deliver help where it was needed most. The challenge caused by the pandemic was dealt with a greater deal of compassion and care from our donors, and we are greatly obliged to all your efforts and support.

We appreciate your contributions to IREC. We hope you will continue to support us in the future. Your donations make a huge difference in the lives of people we help. The growth and progress we have made wouldn't be possible without your generous donation and support. We are thankful to you.

We take immense pleasure in working with you towards the greater good of humanity. Your trust is a pride and honor for IREC.

Regards
IREC
